

# Ask the Principal

What are your favorite perks of homeschooling?

If there was anything you could change about our homeschool what would it be?

Is there a subject that you would like to teach or be involved in this year?

Does our homeschooling schedule work for you?

Is there something you would like to see us implement next year?

What do you love about our homeschool? Dislike?

Could you give me any creative criticism that may help me with planning, organizing, or streamlining?
